

Long distance animal transport for export

Ana Ramirez
European Commission
DG SANTE, Unit F2 'Animals'

Health and
Food Safety

**EU Animals Face Abuse and Torture
During Live Exports**

**Revealed: exported EU animals subject
to abuse and illegal conditions**

*Undercover videos show EU cattle and sheep being beaten, given electric shocks,
and inhumanely slaughtered at destinations in Turkey and Middle East*

EU's cruelty revealed as gruesome clip shows animals **DYING** on appalling transports

A GRUESOME video has exposed the European Union is breaking its own rules as animals transported from member countries are left to suffer and die in inhumane conditions.

MORALITY OF TRANSPORTING ANIMALS

VS

TRANSPORT CONDITIONS

*Health and
Food Safety*

Does animal transport = unnecessary suffering??

NO

Is long transport necessary??

It depends

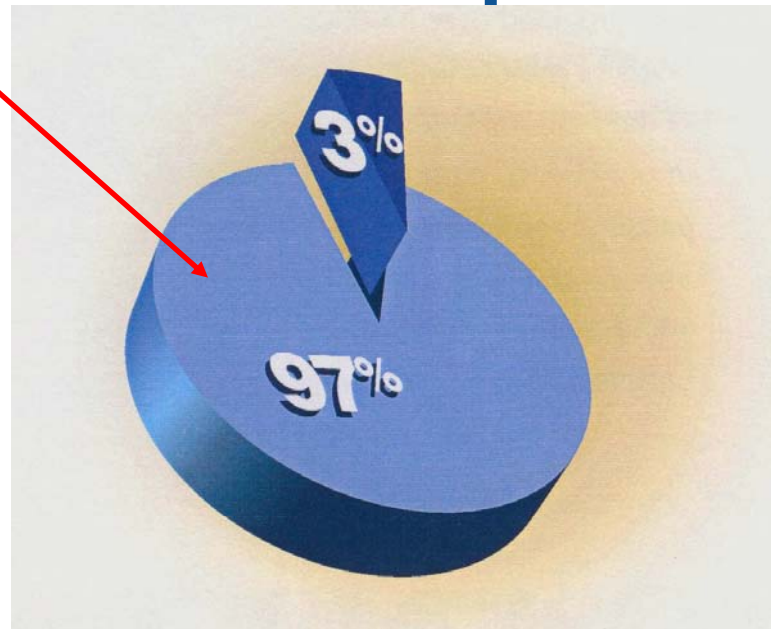

No animal based indicators

Compliance vs animal welfare

Only 'extreme' Animal based indicators

Compliance of road transport at EU exit points

Food Safety

Species	No Animals exported 2017	3%
Cattle	373 499 (by road)	11 205
Small Rum	138 069	4 142

IMPORTANCE OF TRENDS

**THE POSITIVE NEWS
IS WE APPEAR TO BE
MAKING PROGRESS .**

*Health and
Food Safety*

Beyond EU borders:

- No control (COMM, MS)
- No knowledge of resting points
- No agreements for AW

Retrospective checks!

We are tackling the issue of high temperatures

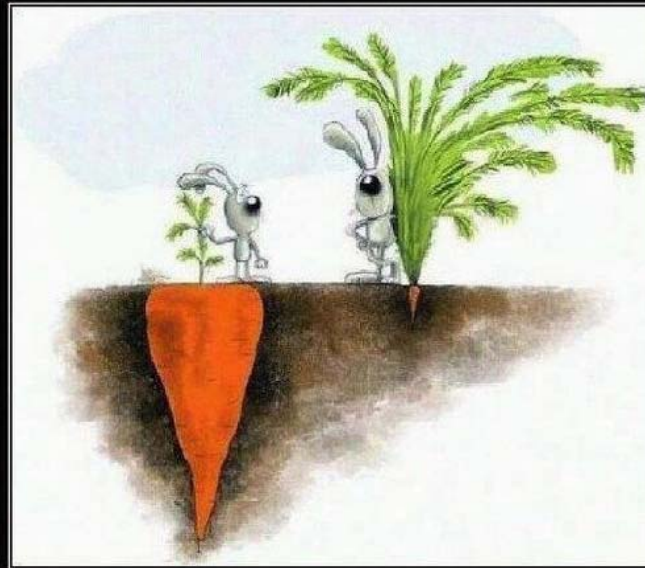

ENFORCEMENT

Difficult:

- *Currently no available data for many trips*
- *International dimension*
- *Priority of the area vs other areas → efficient use of resources*

European
Commission

SUCCESS

it's not always what you see
